23       *utilization of space resources to meet national needs;*

24          “(2) *discourage government barriers to the devel-*  
25       *opment of economically viable, safe, and stable indus-*

1       tries for the exploration and utilization of space re-  
2       sources in manners consistent with the existing inter-  
3       national obligations of the United States; and

4           “(3) promote the right of United States commer-  
5       cial entities to explore outer space and utilize space  
6       resources, in accordance with the existing inter-  
7       national obligations of the United States, free from  
8       harmful interference, and to transfer or sell such re-  
9       sources.

10          “(b) REPORT REQUIRED.—Not later than 180 days  
11       after the date of the enactment of this section, the President  
12       shall submit to Congress a report that contains rec-  
13       ommendations for—

14           “(1) the allocation of responsibilities relating to  
15       the exploration and utilization of space resources  
16       among Federal agencies; and

17           “(2) any authorities necessary to meet the inter-  
18       national obligations of the United States with respect  
19       to the exploration and utilization of space resources.

20       **“§ 51303. Legal framework**

21          “(a) PROPERTY RIGHTS.—Any asteroid resources ob-  
22       tained in outer space are the property of the entity that  
23       obtained such resources, which shall be entitled to all prop-  
24       erty rights thereto, consistent with applicable provisions of  
25       Federal law and existing international obligations.

1       “(b) *SAFETY OF OPERATIONS.*—A United States com-  
2 mercial space resource utilization entity shall avoid causing  
3 harmful interference in outer space.

4       “(c) *CIVIL ACTION FOR RELIEF FROM HARMFUL IN-*  
5 *TERFERENCE.*—A United States commercial space resource  
6 utilization entity may bring a civil action for appropriate  
7 legal or equitable relief, or both, under this chapter for any  
8 action by another entity subject to United States jurisdic-  
9 tion causing harmful interference to its operations with re-  
10 spect to an asteroid resource utilization activity in outer  
11 space.

12       “(d) *RULE OF DECISION.*—In a civil action brought  
13 pursuant to subsection (c) with respect to an asteroid re-  
14 source utilization activity in outer space, a court shall enter  
15 judgment in favor of the plaintiff if the court finds—

16           “(1) the plaintiff—

17              “(A) acted in accordance with all existing  
18 international obligations of the United States;  
19 and

20              “(B) was first in time to conduct the activ-  
21 ity; and

22           “(2) the activity is reasonable for the exploration  
23 and utilization of asteroid resources.

24       “(e) *EXCLUSIVE JURISDICTION.*—The district courts of  
25 the United States shall have original jurisdiction over an

1 action under this chapter without regard to the amount in  
2 controversy.”.
